**Since October 2009**

Greetings to all!

What a crazy month this has been! We have had record numbers of people signing up for trips, cancelling trips, rescheduling trips and calling wondering when their refunds are coming. We are trying our best to keep up with the constant changes that keep coming through the door. Your patience is very much appreciated. I am continually working to update the accounts, get refunds issued and money transferred from one trip to another. Please know we have detailed records and it is a time-consuming process. We are attempting to get the refunds issued between planning trips, writing a newsletter, taking the planned trips, preparing for and holding meetings, as well as the usual daily phone calls and office visits.

We have discovered that the most difficult thing is explaining the bookkeeping to new people who have friends who signed them up for a trip. Please understand that the refund is issued to the person who sent in the check or paid the money. If someone pays for several friends, then the refund is sent to the person who gave us the payment. They must then send the payment to the participant who cancelled. Thanks for your understanding!

Meanwhile, it is becoming more frequent that we receive information from destinations such as theatres, restaurants, and other places telling us that there are requirements such as masks, proof of vaccine, etc. in order to come to that particular place. I am adding a line for each trip that will tell what is needed to attend the trip as I am made aware of the requirements. While these changes are making traveling a challenge, we are still getting out and taking time to enjoy the adventures available to us! It is a good idea to always have a mask with you on any trip as sometimes we find we need them at the last minute. The rules seem to change overnight in many places.

Thanks to those who have come to the office to help with the newsletter. I certainly could not do it without you! Everyone enjoys getting the newsletter and thanks to your help, I am able to get it in the mail each month.

Just a reminder that Ann will be on the road much of October and November. Rebecca will be in the office most days, but hours may vary. It is a good idea to call before coming and make sure she is there so you don't make a wasted trip. Thanks for your understanding.

Thanks to everyone who attended the departure meetings for the fall trips! It is always helpful to me to share information about each trip and answer questions for the group as opposed to answering the same question 30 times on the phone.

The Mississippi River Cruise Trips had some great discussion and both groups decided that traveling by motorcoach to and from felt much safer than the other options. Details will be sent as soon as I can get everything lined up for the trips!

Fall is here and as the temperatures cool down, I'm hoping that the viruses slow their pace and the cooler weather keeps them from thriving.

Stay safe, use common sense when out and about and we will be seeing you soon on a trip to somewhere exciting!

## **TSA – Transportation Security Administration Acceptable Forms of ID**

### **1 - REAL Michigan Driver's License – Deadline Extended Once Again!**

Michigan is enacting a federally acceptable form of ID. **This will be in effect by May 3, 2023.** The REAL ID will be required for flying within the United States, entry into certain federal properties, entering nuclear facilities and military bases. The Real ID Michigan Driver's license has a star in the upper right hand corner.

**2 - Enhanced Michigan Driver's License** is already compliant and allows entry into the US by land or sea from Canada, Mexico, Bermuda or the Caribbean without a passport. The Enhanced Michigan Driver's License has an American flag on the license just right of your picture. The newer ones also have a star in the upper right hand corner.

**3 - Passport** - is acceptable ID for any type of air flight to go anywhere. It is also acceptable for entry into certain federal facilities and entering nuclear facilities and military bases. It cannot be used as a driver's license. To fly into the US from anywhere – including Canada, Mexico, Bermuda, and the Caribbean, you must have a passport.

Please check your driver's license and your passport for their expiration dates.

### **Regarding Passports...**

New Passports are available at the Clio Post Office by appointment. Call 810-686-0810 to schedule your appointment. You need your birth certificate with a raised seal to apply for one. They are good for ten years. The post office can take your picture or you can get a passport photo taken at another location such as Walgreen's or Rite Aid. If you live in another city, check your local post office for their passport hours. They may vary at each post office.

To renew a passport, you do not need an appointment. You can pick up a form and instructions and mail the completed form.

In an effort to help facilitate the process, the Post Office has given me the applications for new passports and the forms for renewing a passport along with instructions. You can get them at my office as well as the post office.

**Please Note: Due to Covid-19, it is taking longer to process passports. If you are needing to renew your passport it may be helpful to do it in advance and not wait until just before a trip!**

### **Become a STAR!**

I offer a special program for frequent travelers.

You can become a "STAR" which stands for Special Travel Adventure Rate! For \$36.00 per year you can become a STAR! As a result, every trip you sign up for will be \$6.00 less in cost. So, if you travel at least 6 times in a year, you will have made your money back and for every trip after that, you come out ahead!

### **Driver Tips**

For all day trips, the driver tip is included in the cost of the trip. On overnight trips, we do pass an envelope for the driver.

**Please note:** Due to Covid-19, we are not passing an envelope through the bus. We will have a cup / jar for driver tip at the front of the bus. You can drop your tip into the cup after the last stop of the trip. We are trying our best to keep everyone safe as we continue to provide travel opportunities. For overnight trips, it is recommended \$2.00 to \$3.00 per person per day.

## **Travel Club Networking Meeting**

The next Travel Club Networking Meeting will be held on **Wednesday, October 13th, at 2:00 p.m.** at the office! All are welcome! This is a great chance to meet a potential roommate for an upcoming trip. If you would like, I can introduce you to others who may also be looking to share a room on a trip. It sure makes the trip more affordable!

Travel Club Networking Meetings are held three times a year to allow people to provide ideas for future trips, meet with other travelers and get first-hand information about upcoming trips. They are in February, June and October.

### **Going South? Going North? Please take note!**

The post office does not forward bulk mail. If you want to receive the newsletter and are heading south for any length of time, please let me know. You have a couple of options. You can receive the newsletter via email – then you can get it wherever you are. You can call and give me a winter address and let me know how long you will be gone. Or you can have the newsletter stopped. You can call and resume it in the spring. Newsletters are returned to me as undeliverable if you have your mail forwarded. This is costly. When a newsletter is returned, we remove the person from the mailing list until we hear from them. This saves not only postage, but paper and printing costs. We just ask that you let us know. Thanks for your help!

### **Travel Certificates Make Great Gifts!**

Looking for the perfect gift? Travel Certificates are available in any amount! They can be used for any Ann's Adventures Trip! There is no expiration date! Tell your kids you want the gift of Travel! These make great gifts for retirement, birthdays, anniversaries, Christmas or other special events.

### **Medical Forms**

Is your medical form up to date? A medical form ensures that I can give medical professionals correct information about your health in the event of a medical emergency. If something happens, they need to know your birthdate and list of current medications. If you need to update your form, I always carry extra on the trips. You can ask me for a form or call and I can email one to you. You can always pick one up when you are in the office or use the form that was in the August newsletter.

### **2021 Genesee County Resource Directories Available In The Office!**

Each year the Genesee County Commission On Aging prints a Senior Resource Directory for distribution to all who would like one at Senior Power Day. Since the 2021 Senior Power Day was cancelled due to Covid, there are many directories available. I have picked up a case and they are here at the office. Stop in and pick one up. They are a great resource to have!

### **Phone System Changes**

Dialing a phone number without including the area code won't work for many Michiganders starting this month. Anybody with a 616, 810, 906 or 989 area code will need to start using the full 10-digit number when making local calls. Starting Oct. 24, seven-digit numbers without the area code won't work.

## Money Matters

Payments can be made in cash, checks or money orders. **I can take credit cards** however, there will be a 3% charge added onto the payment if you decide to use a credit card. Checks should be made out to Ann's Adventures. When sending checks, please write on the memo line what trip the check is for or use the form on the back page of this newsletter. It helps me get your payment posted to the right trip more quickly. If you would like a receipt, you should include a self-addressed, stamped envelope. There will be a \$15.00 charge for any check returned for insufficient funds.

## Do I need to send a deposit?

A deposit assures your seat on a trip. When you call to put your name on a trip list, that lets me know how many people are interested. Your deposit (or full payment) assures you of a seat. Sometimes there are more names on the interest list than there are actual seats available. When the maximum number of seats with money deposited are full, the rest becomes the wait list. The bottom line is... if you really want to go, you should put down a deposit. For day trips, a \$20.00 deposit will hold your seat. For extended trips, the deposit amount is listed at the top of the article. **The remaining balance for all trips is due 1 month prior to the trip unless specifically noted.**

## Can I get a Refund?

Refunds will be given only if there is a wait list and I am able to fill your place prior to departure. Partial refunds may be given if I am able to recover the costs of prepaid tickets, meals, etc. Cancellations and no-shows on the day of the trip will not be entitled to a refund. **Refund checks are issued after the trip is completed and can take a few months to process.**

## What is cancellation protection?

Cancellation Protection is a specified amount of money **due with your deposit** and protects all monies (except the cost of the cancellation protection) in the event of cancellation for any reason, anytime prior to departure. It is not insurance but does provide protection for the cost of your trip.

Insurance is available and is included when we go overseas. Collette Trips include insurance and that would cover much more while we are in another country.

## Dietary Restrictions:

If you have a special dietary need, I need to know this in advance of the trip. When meals are catered for a group of 50, caterers plan for the number of meals ordered and often do not have additional options ready on the spot. If you vary from the original menu, there may be an additional charge.

## Shirts For Sale!

The grey t-shirt says "Not all who wander are lost" and is on a section of a Michigan map surrounding Clio. The cost for the grey t-shirt is \$12.00 for S, M.

There are also polo shirts (with a collar) in red or royal blue. They are monogrammed with "Ann's Adventures" and the cost is \$15.00 for the M, L & XL.

The 2XL is \$16.00. (1 left!)

Check them out next time you are in the office!

A limited number of sizes are available!

## W...ings for Travel

Preparation for a trip of any duration takes time. I am encouraging everyone to think about preparing yourselves as well as your clothes, what to pack, and what should be in your carryon! Time to spread your wings!

1. **Waking:** Every trip requires an early start. Begin setting your alarm a little earlier each day a couple weeks before the trip. Then it won't be such a shock to your system to suddenly be getting up so early every day
2. **Walking:** If you are not a person who walks regularly, begin! Don't try to start with a mile or two right away. Try walking ten minutes a day then 20, then 30. It is amazing how much easier the trip will be for you if walking is not a shock to your system. You will definitely have more fun!
3. **Watering:** Drink more water! This is good for you even when not traveling. However, when we travel it is crucial that you not become dehydrated. Keeping your body hydrated will help you to be healthier and your system to work more efficiently.

Get your own W...ings ready for travel!

## Romeos!

This group of men gather monthly to enjoy lunch, laughter and good conversation. It started many years ago as the guys response to the women's Red Hat Society! The women have a poem, "When I am an Old Woman, I Shall Wear Purple!" There is also a poem called "When I am an Old Man, I Shall Wear Plaid!" So, an active group of guys attended the first meeting and the Romeos were started!. Romeo's stands for Rowdy Old Men Eating Out! No dues, no committees, just eat out every month with other guys to provide input on whatever is of interest to anyone.

The October gathering will be on Thursday, October 21<sup>st</sup>, at 11:30 a.m. at Twin's in Clio. The next two months will be Thursday, November 18<sup>th</sup>, at Mug Sholtz on Saginaw in Clio and Thursday, December 16<sup>th</sup>, at Leo's on Linden Rd in Clio. Mark your calendars and plan to join us!

## Breakfast Club!

The Breakfast Club meets the first Friday of every month at 8:30 a.m. at the Bob Evans in Birch Run. It is a great opportunity to get together with friends, ask questions of Ann, or make suggestions for future trips. Some people use this opportunity to meet potential roommates or meet up with others that they have met on previous trips. I hope to see you there! Breakfast is on your own. No reservations are needed, just come and join us! Upcoming dates are October 1, November 5, and December 3, 2021.

Edsel & Eleanor Ford House tells the story of the home life of a prominent American family. The Fords were cultural, social and economic leaders in an era of great optimism, as well as a turbulent time of economic depression and world war. They were nationally prominent and they owned more than one house, but Southeast Michigan was their home. Here they built their final residence along the shores of Lake St. Clair, at a place known locally as Gaukler Pointe. Their impressive yet unpretentious home is where they raised and nurtured their four children - Henry II, Benson, Josephine and William - in a safe and loving environment. It reflects their love of family as well as their mutual passion for art and quality design.

This Broadway musical, Beautiful, tells the story of Carole King, superstar. Her music would become the soundtrack to a generation. "Romantic Roads of Germany and Oberammergau" includes some of the country's most iconic cities such as Berlin, Lubeck, Hamburg, Bremen, Hamelin, Kassel, Marburg, Wurzburg, and of course, Oberammergau. This 12 day trip will take us through many areas that were settings for Grimm's Fairy Tales and we'll see many castles.

The Passion Play began all the way back in 1633. Oberammergau was suffering from the Bubonic Plague. The surviving villagers appealed for Divine intervention to save their families. They vowed that if God were to spare them, they would perform a Passion Play every ten years. They say not a single person fell victim to the Plague after that. Keeping their promise, the people of Oberammergau performed the first play in 1634 and have continued to do so throughout the centuries. Today, many of Oberammergau's residents still take part in this powerful work of art featuring dramatic performances, beautiful music and choral accompaniment.

This newly revised trip will include a high speed train between Berlin and Hamburg. The Passion Play will be a highlight. This 13 day trip includes 11 breakfasts, 2 lunches and 6 dinners. The airfare and luggage handling are also included. Detailed flyers are available.

Longer trips may have a separate registration form, please see individual trip article to see if additional information is required.

Please help us to make sure your checks are credited to the right account! Please use the form on the back of the newsletter, write us a note or at least write the name of the trip on your check. We are accepting payments on over 40 trips at any given time and it is difficult to remember who is going where! Thank-you!
